Yours faithfully,

AUDIT REPORT ON THE ACCOUNTS OF THE SOUTH KANARA ~~DI~~ COCONUT AND ARECANUT MARKET COMMITTEE FOR THE YEAR 1952.

—oo—

Name of auditor: sri.C.W.Andrews, District Inspector.

Time taken for audit: 10th to 15th June 1953.

(381/53)

The Office of the Chairman was held by sri.U. Narayana Mallya from 1-1-52 to 31-12-52.

2. The opening balance in the cash book is in agreement with the closing balance of the previous year. The closing balance in the cash book viz Rs.3,253-1-6, is in agreement with the balance in the Treasury pass Book after allowing for unremitted cash and uncashed cheques at the close of the year.

3. More important irregularities are detailed below. Irregularities of minor nature are detailed in the annual objection statement which should be read as part of the report.

4. LICENCES UNDER SECTIONS 5(1) and (3) of the Act.

In most of the cases it was noticed that persons who have taken out licences under section 5(1) and (3) of the Act did not render account regularly to Market Committee and also weekly reports of purchases and sales and of arrivals and despatches of crop. It was therefore not possible to verify whether the cess due has been correctly collected from them and whether prompt action was taken to realise the dues. Similar omission was also noticed in paragraph 5 of Audit report for 1951. Early action is called for..

(b) From the statement received from sri. Krishna Mills, it was seen that deductions were made for quantity of copras imported from Malabar as per Rule 28(2) (1) of M.C.C.M.Rules. But proof of payment of fees on the said quantity at Malabar was wanting and in the absence of that proof, the amount of fees would need to be recovered or made good.

REPLIES TO THE AUDIT REPORT ON THE ACCOUNTS OF THE SOUTH KANARA MARKET COMMITTEE FOR THE YEAR 1952.

****

PARA 4 - LICENCES UNDER SEC.5(1) & 5(3) OF THE ACT.- Rendering of accounts etc regularly to the Market Committee.

Criminal complaints had to be filed by this Market Committee against a few of the dealers who not only failed to send weekly returns of their trade in the notified crops but even refused to take out the necessary licences for their trade and thus continued to contravene the provisions of the Act, the Rules and the Bylaws. But the complaints failed in the original court mainly on the ground that direct proof to show that the notification issued by the Government extending the provisions of the Act to this District had been duly published in all the modes of publication required under rule 3 of the M.C.C.M.Rules, was not available to give a conviction.

Orders of Government as to the future course of action to be taken by this Committee are awaited. Until this legal uncertainity in the constitution of the Committee is clarified, there will be a stalemate in the enforcement of the provisions of the Act, the Rules and the Bylaws.

(b) Proof of payment of fees on the said quantity of copra imported from Malabar had been called for from the said Mill which have since refused to pay any fee at all. Complaints filed against this Mill have since failed. Further action will be taken on the advice and orders of Government.

PARA 5 - REGISTRATION FEES OF TRADERS - ANNUAL LIST NOT OBTAINED.

There is no direct source from which a list of the persons exercising the profession can be got prepared. The jurisdiction of the Committee being the entire district the Supervisors of the Market Committee visit the various centres and register the dealers by meeting them in person. The previous year's register of licensees is taken as the list of dealers and new persons who enter the trade are added on to this list whenever found.

PARA 6 - LICENCES Ø TO BROKERS AND WEIGHMEN.

There are no brokers as such in the district . Weighmen whenever they are found necessary to be employed are directed to take out licences. The previous year's list is taken as a guide for futher work in this direction. There is practically no regular list to be obtained for those who are in these professions.

PARA 7 - SURPLUS - NOT INVESTED.

Government have in their orders Memorandum No.51072 F 534 dated 2-11-53 have relaxed rule 76 of the M.C.C.M.Rules 1948 and have permitted this Market Committee to retain as a special case the sum of Rs.2969-4-6 being the unexpended balance of the official year 1952 to meet the Election and other expenses during the year 1953.

PARA - 8. ESTABLISHMENT - EXCESS PAYMENTS.

Government have in their Memorandum No.57225/B/IV/53 dated 7-11-53 have ratified the action of this Market Committee in having fixed the starting pay of peons and office boy at Rs.(18/-) Eighteen p.m. instead of at the rates fixed in rule 78 of Madras Commercial Crops Market Rules 1948.

P.T.O.

PARA 9 - The audit fees of Rs.77-6-0 as now noted in the Audit Report has since been credited to State Funds in T.R.No.275 dated 9-10-53. (VII)

PARA 10 - The Register of prosecution and Establishment Audit Register are now maintained. There are no suits wi by the Committee and a register of suits will be maintained when found necessary. (VIII)

PARA 11 & 12. No replies.

PARA 13. The objection Statement has been duly retransmitted to the District Inspector of Local Fund Accounts South Kanara Mangalore with replies. (IX)

SECTIONAL NOTES.

Extract from the Audit Report of the Examiner of Local Fund Accounts on the accounts of the South Kanara Market Committee for 1952.

4(a) In most of the cases it was noticed that persons who have taken out licences under Section 5(1) and (3) of the Act did not render account regularly to Market Committee and also weekly reports of purchases and sales and of arrivals and despatches of crop. It was therefore not possible to verify whether the cess due has been correctly collected from them and whether prompt action was taken to realise the dues. Similar omission was also noticed in paragraph 5 of Audit report for 1951. Early action is called for.

REPLY OF THE COMMITTEE:

Criminal complaints had to be filed by this Market Committee against a few of the dealers who not only failed to send weekly returns of their trade in the notified crops but even refused to take out the necessary licenses for their trade and thus continued to contravene the provisions of the Act, the rules and the Bylaws. Rules, was not available to give conviction.

Orders of Government as to the future course of action to be taken by this Committee are awaited. Until this legal uncertainty in the constitution of the Committee is clarified, there will be a stalemate in the enforcement of the provisions of the Act, the Rules and the
